REQUEST FOR RECONSIDERATION

Sir:

This is in response to the office action mailed August 26, 2004 as follows:

REMARKS

Reconsideration of this application is respectfully requested:

The claims as amended set forth a medication administration method in which instructions are stored by month, date and time of day. The instructions are called up by date and time of day. There can be a large number of instructions. The COU employed searched the recorded messages by the date and time of day.

The claims stand rejected as unpatentable over a combination of references including
